INTRODUCTION

ARCHER M. HUNTINGTON was born in 1870 to Arabella Duval Yarrington, an astonishing and forceful lady destined to influence much of his life. Archer was the natural son of either John Archer Worsham (a gambling house proprietor who 'died poor' in 1878) or, as was later claimed, his eventual 'stepfather' the industrialist Collis P. Huntington. Public speculation regarding his parentage in the context of patrician New York society may have contributed to Archer's widely-reported reticence and even secrecy in later life. In the event Collis - one of the "Big Four" Western Railroad magnates - married Arabella in July 1884, following the death of his first wife Elizabeth in the previous year.

The young Archer's life became increasingly privileged. His education, scrupulously overseen by Arabella and Collis, involved a legion of private tutors as well as numerous Grand Tours of Europe. During one of these he announced his desire to "live in a museum" and a visit to Spain in 1892 kindled his passion for the history and culture of the Hispanic world in particular. This was to endure throughout his long life although the Hispanic Society of America was founded as early as 1904.

Although the exact circumstances of Huntington's birth and early years remain somewhat obscure nearly a century and a half later, the timeline of his remarkable life as a collector and philanthropist is etched with crystalline clarity. He published his own translation of *El Cid*, and a book on travel in Northern Spain was released to critical acclaim. By the age of 37 he had received honorary degrees from Columbia, Yale, and Harvard, and still had another half century of philanthropic and scholarly pursuits in his future. Eschewing a career in business, Huntington was so energetically dedicated to the sharing of his enormous good fortune and wealth that, upon his death at the age of 86, the *New York Times* estimated that he had given away the majority of his quite phenomenal and almost incalculable inheritances.

The long list of worldwide institutions to have been created by Archer M. Huntington, or to have benefited substantially from his extraordinary largesse, includes:

The Hispanic Society of America and Audubon Terrace, Manhattan;
The American Numismatic Society, New York;
Brookgreen Gardens, South Carolina;
The Mariner's Museum in Newport News, Virginia;
The Hispanic Division of the Library of Congress, Washington, D.C.;
The Metropolitan Museum of Art, New York;
The American Academy of Arts and Letters;
The *Casa de Cervantes* in Valladolid; and
The *Casa del Greco* in Toledo.

Archer Huntington was disconsolate when his first wife left him after 25 years but he found great personal happiness in his second marriage to the renowned American sculptor, Anna Hyatt. Together they would enrich Audubon Terrace with her spectacular statue of El Cid whilst creating and endowing nature preserves in Connecticut and South Carolina.

Coins represented one of Huntington's very earliest collecting interests, exemplifying as they do not only Spain's international impact but also the full story of her millennia of civilization. In its entirety his coin collection, largely assembled by 1905, has been long regarded as the most spectacular of its type ever formed. Huntington purchased a number of existing cabinets *en bloc* while individual coins are known to have passed through some of the greatest collections dispersed in the late nineteenth century. With a very few exceptions Huntington had turned his attention to other fields following the establishment of the Hispanic Society of America, and he arranged to have his coins housed at the American Numismatic Society next door, of which he was once President of the Board of Trustees. Over ensuing decades major portions have been studied and published by the eminent and versatile George Miles, amongst other numismatists.

Thanks to the generosity of a modern-day benefactor after Huntington's own mould, the American Numismatic Society has succeeded in retaining highly important Huntington material including the complete Visigothic series and coins relating to Islamic Spain.

(i) these Conditions of Business for Buyers;
(ii) the Conditions of Business for Sellers displayed in the saleroom and available from Morton & Eden Ltd ;
(iii) Morton & Eden Ltd.'s Authenticity Guarantee;
(iv) any additional notices and terms printed in the sale catalogue, in each case as amended by any saleroom notice or auctioneer's announcement.

(b) As auctioneer, Morton & Eden Ltd. acts as agent for the Seller. Occasionally, Morton & Eden Ltd. may own or have a financial interest in a lot.

2. Definitions

"**Bidder**" is any person making, attempting or considering making a bid, including Buyers;
"**Buyer**" is the person who makes the highest bid or offer accepted by the auctioneer, including a Buyer's principal when bidding as agent;
"**Seller**" is the person offering a lot for sale, including their agent, or executors;
"M&E" means Morton & Eden Ltd., auctioneers, 45 Maddox Street, London W1S 2PE, company number 4198353.
"Buyer's Expenses" are any costs or expenses due to Morton & Eden Ltd. from the Buyer;

"**Reserve Price**" (where applicable) is the minimum Hammer Price at which the Seller has agreed to sell a lot.

The Buyer's Premium, Buyer's Expenses and Hammer Price are subject to VAT, where applicable.

3. Examination of Lots

(a) M&E's knowledge of lots is partly dependent on information provided by the Seller and M&E is unable to exercise exhaustive due diligence on each lot. Each lot is available for examination before sale. Bidders are responsible for carrying out examinations and research before sale to satisfy themselves over the condition of lots and accuracy of descriptions.

(b) All oral and/or written information provided to Bidders relating to lots, including descriptions in the catalogue, condition reports or elsewhere are statements of M&E's opinion and not representations of fact. Estimates may not be relied on as a prediction of the selling price or value of the lot and may be revised from time to time at M&E's absolute discretion.

4. Exclusions and limitations of liability to Buyers

(a) M&E shall refund the Purchase Price to the Buyer in circumstances where it deems that the lot is a Counterfeit, subject to the terms of M&E's Authenticity Guarantee.

(b) Subject to Condition 4(a), neither M&E nor the Seller:-
(i) is liable for any errors or omissions in any oral or written information provided to Bidders by M&E, whether negligent or otherwise;
(ii) gives any guarantee or warranty to Bidders and any implied warranties and conditions are excluded (save in so far as such obligations cannot be excluded by English law), other than the express warranties given by the Seller to the Buyer (for which the Seller is solely responsible) under the Conditions of Business for Sellers;
(iii) accepts responsibility to Bidders for acts or omissions (whether negligent or otherwise) by M&E in connection with the conduct of auctions or for any matter relating to the sale of any lot.

(c) Without prejudice to Condition 4(b), any claim against M&E and/ or the Seller by a Bidder is limited to the Purchase Price for the relevant lot. Neither M&E nor the Seller shall be liable for any indirect or consequential losses.

(d) Nothing in Condition 4 shall exclude or limit the liability of M&E or the Seller for death or personal injury caused by the negligent acts or omissions of M&E or the Seller.

5. Bidding at Auction

(a) M&E has absolute discretion to refuse admission to the auction. Before sale, Bidders must complete a Registration Form and supply such information and references as M&E requires. Bidders are personally liable for their bid and are jointly and severally liable with their principal, if bidding as agent (in which case M&E's prior and express consent must be obtained).

(b) M&E advises Bidders to attend the auction, but M&E will endeavour to execute absentee written bids provided that they are, in M&E's opinion, received in sufficient time and in legible form.
(c) When available, written and telephone bidding is offered as a free service at the Bidder's risk and subject to M&E's other commitments; M&E is therefore not liable for failure to execute such bids. Telephone bidding may be recorded.

6. Import, Export and Copyright Restrictions

M&E and the Seller make no representations or warranties as to whether any lot is subject to import, export or copyright restrictions. It is the Buyer's sole responsibility to obtain any copyright clearance or any necessary import, export or other licence required by law, including licenses required under the Convention on the International Trade in Endangered Species (CITES).

7. Conduct of the Auction

(a) The auctioneer has discretion to refuse bids, withdraw or re-offer lots for sale (including after the fall of the hammer) if (s)he believes that there may be an error or dispute, and may also take such other action as (s)he reasonably deems necessary.

(b) The auctioneer will commence and advance the bidding in such increments as (s)he considers appropriate and is entitled to place bids on the Seller's behalf up to the Reserve Price for the lot, where applicable.

(c) Subject to Condition 7(a), the contract between the Buyer and the Seller is concluded on the striking of the auctioneer's hammer.

(d) Any post-auction sale of lots shall incorporate these Conditions of Business.

8. Payment and Collection

(a) Unless otherwise agreed in advance, payment of the Purchase Price is due in pounds sterling immediately after the auction (the "Payment Date").

(b) Title in a lot will not pass to the Buyer until M&E has received the Purchase Price in cleared funds. M&E will generally not release a lot to a Buyer before payment. Earlier release shall not affect passing of title or the Buyer's obligation to pay the Purchase Price, as above.

(c) The refusal of any licence or permit required by law, as outlined in Condition 6, shall not affect the Buyer's obligation to pay for the lot, as per Condition 8(a).

(d) The Buyer must arrange collection of lots within 10 working days of the auction. Purchased lots are at the Buyer's risk from the earlier of (i) collection or (ii) 10 working days after the auction. Until risk passes, M&E will compensate the Buyer for any loss or damage to the lot up to a maximum of the Purchase Price actually paid by the Buyer. M&E's assumption of risk is subject to the exclusions detailed in Condition 5(d) of the Conditions of Business for Sellers.

(e) All packing and handling of lots is at the Buyer's risk. M&E will not be liable for any acts or omissions of third party packers or shippers.

9. Remedies for non-payment

Without prejudice to any rights that the Seller may have, if the Buyer without prior agreement fails to make payment for the lot within 5 working days of the auction, M&E may in its sole discretion exercise 1 or more of the following remedies:-

(a) store the lot at its premises or elsewhere at the Buyer's sole risk and expense;

(b) cancel the sale of the lot;

(c) set off any amounts owed to the Buyer by M&E against any amounts owed to M&E by the Buyer for the lot;

(d) reject future bids from the Buyer;

(e) charge interest at 8% per annum above Lloyds TSB Bank plc Base Rate from the Payment Date to the date that the Purchase Price is received in cleared funds;

(f) re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion, in which case the Buyer will be liable for any shortfall between the original Purchase Price and the amount achieved on re-sale, including all costs incurred in such re-sale;

(g) Exercise a lien over any Buyer's Property in M&E's possession, applying the sale proceeds to any amounts owed by the Buyer to M&E. M&E shall give the Buyer 14 days written notice before exercising such lien;

(h) commence legal proceedings to recover the Purchase Price for the lot, plus interest and legal costs;

(i) disclose the Buyer's details to the Seller to enable the Seller to commence legal proceedings.

10. Failure to collect purchases

(a) If the Buyer pays the Purchase Price but does not collect the lot within 20 working days of the auction, the lot will be stored at the Buyer's expense and risk at M&E's premises or in independent storage.

(b) If a lot is paid for but uncollected within 6 months of the auction, following 60 days written notice to the Buyer, M&E will re-sell the lot by auction or privately, with estimates and reserves at M&E's discretion. The sale proceeds, less all M&E's costs, will be forfeited unless collected by the Buyer within 2 years of the original auction.

11. Data Protection

(a) M&E will use information supplied by Bidders or otherwise obtained lawfully by M&E for the provision of auction related services, client administration, marketing and as otherwise required by law.

(b) By agreeing to these Conditions of Business, the Bidder agrees to the processing of their personal information and to the disclosure of such information to third parties world-wide for the purposes outlined in Condition 11(a) and to Sellers as per Condition 9(i).

12. Miscellaneous

(a) All images of lots, catalogue descriptions and all other materials produced by M&E are the copyright of M&E.

(b) These Conditions of Business are not assignable by any Buyer without M&E's prior written consent, but are binding on Bidders' successors, assigns and representatives.

(c) The materials listed in Condition 1(a) set out the entire agreement between the parties.

(d) If any part of these Conditions of Business be held unenforceable, the remaining parts shall remain in full force and effect.

(e) These Conditions of Business shall be interpreted in accordance with English Law, under the exclusive jurisdiction of the English Courts, in favour of M&E.

Morton & Eden Ltd.'s Authenticity Guarantee

If Morton & Eden Ltd. sells an item of Property which is later shown to be a "Counterfeit", subject to the terms below Morton & Eden Ltd. will rescind the sale and refund the Buyer the total amount paid by the Buyer to Morton & Eden Ltd. for that Property, up to a maximum of the Purchase Price.

The Guarantee lasts for two (2) years after the date of the relevant auction, is for the benefit of the Buyer only and is non-transferable.

"Counterfeit" means an item of Property that in Morton & Eden Ltd.'s reasonable opinion is an imitation created with the intent to deceive over the authorship, origin, date, age, period, culture or source, where the correct description of such matters is not included in the catalogue description for the Property.
Property shall not be considered Counterfeit solely because of any damage and/or restoration and/or modification work (including, but not limited to, traces of mounting, tooling or repatinating).
Please note that this Guarantee does not apply if either:-

(i) the catalogue description was in accordance with the generally accepted opinions of scholars and experts at the date of the sale, or the catalogue description indicated that there was a conflict of such opinions; or

(ii) the only method of establishing at the date of the sale that the item was a Counterfeit would have been by means of processes not then generally available or accepted, unreasonably expensive or impractical; or likely to have caused damage to or loss in value to the Property (in Morton & Eden Ltd.'s reasonable opinion); or

(iii) there has been no material loss in value of the Property from its value had it accorded with its catalogue description.

To claim under this Guarantee, the Buyer must:-

(i) notify Morton & Eden Ltd. in writing within one (1) month of receiving any information that causes the Buyer to question the authenticity or attribution of the Property, specifying the lot number, date of the auction at which it was purchased and the reasons why it is believed to be Counterfeit; and

(ii) return the Property to Morton & Eden Ltd. in the same condition as at the date of sale and be able to transfer good title in the Property, free from any third party claims arising after the date of the sale.

Morton & Eden Ltd. has discretion to waive any of the above requirements. Morton & Eden Ltd. may require the Buyer to obtain at the Buyer's cost the reports of two independent and recognised experts in the relevant field and acceptable to Morton & Eden Ltd. Morton & Eden Ltd. shall not be bound by any reports produced by the Buyer, and reserves the right to seek additional expert advice at its own expense. In the event Morton & Eden Ltd. decides to rescind the sale under this Guarantee, it may refund to the Buyer the reasonable costs of up to two mutually approved independent expert reports, provided always that the costs of such reports have been approved in advance and in writing by Morton & Eden Ltd.
